REMINDER

This letter is to remind all bus drivers, parent drivers etc., All students must be let out of the vehicles before the crosswalk! Now that the weather is nice, we will occasionally have teachers on the playground and students will be using the crosswalk to cross over. Stopping before the crosswalk gives drivers a line of sight. Also, under no circumstance is a car to pass any other car, bus etc. There is a lot of pedestrian traffic in the morning. If we continue to have vehicles passing, we will insert a policy of NO upper level drop off for cars! Also with nice weather during the day, we have students crossing to the gym and playground etc.

PROCEED slowly AROUND THE building!!!

OBEY THE speed limit. THE safety of your children is important to us!

You cannot park near the front door and bring your child to his/her class! Park in the lower lot and walk up.
